

# One Colorful Night

2017

The Junior Senior Banquet was held early this year on October 22, 2017, for a special reason. The Junior class surprised the Seniors and bought tickets to take them to the see Aladdin the Broadway Disney Musical at the Paramount in Seattle.

The evening started in the Kirkland banquet hall. Transformed with ceiling, tables and walls draped in colorful organza, lights, and candles, with a hint of Arabian, the theme was tied together beautifully.

An assorted buffet of delicious foods helped the Junior class, pull off a successful event. Elsie Pak, Junior Class President, shares, "Everyone had a great time at the JSB banquet. It was a pleasure to plan a fun and entertaining evening for our good friends, the seniors. We will miss them greatly when they graduate."
