

## **PSAA music tour to California a huge success**

4/28/15

*Approximately 70 PSAA band and choir students under the direction of Elton & Anika Zebron and Craig Mohr, along with 15 staff and parent sponsors recently returned from a very successful music tour to Northern California.*

*The students performed at the Roseburg SDA School in Southern Oregon, Sacramento Adventist Academy, Pleasant Hill Adventist Academy, and at the Orangevale SDA Church.*

*Students also enjoyed the opportunity to explore San Francisco including Alcatraz Island, Pier 39, Fisherman's Wharf, Ghirardelli Chocolate, Chinatown, Union Square, and Lombard Street, as well as riding the cable cars.*

*Some students and sponsors also rented bikes and rode to and across the Golden Gate Bridge and back. Students also had the wonderful opportunity to visit the Leoni Meadows Youth Camp and ride the exciting zip Line.*
